

# Give Card Guide

## Usage and Fraud Prevention

### 1. How to Use your Give Card

Your Give card can be used anywhere where Mastercard is accepted, both online and in-store. Additional uses include:

- **Money Orders** – Purchase at Walmart, Western Union, Safeway, pharmacies, and more.
- **Online Purchases** – Use your card for secure online purchases.
- **ATM Withdrawals** – Requires account creation and PIN setup.
- **ATM locator** [ATM Near Me](#) | [Find the Nearest ATM with Mastercard ATM Locator](#)
- **Mobile Payments** – Compatible with Venmo, PayPal, and similar services:
  - ❖ **Venmo:** *Settings → Payment Method → Add Bank or Card → Select Card*
  - ❖ **PayPal:** *Wallet → Add Bank and Card → Debit and Credit Card (Processing fees may apply)*

### 2. Fraud Prevention and Card Security

Scammers use emails, texts, and public Wi-Fi to steal information. Protect your card with these best practices:

- **Beware of Suspicious Messages** – Never share personal details or click on unknown links.
- **Use Secure Connections** – Avoid public Wi-Fi for banking; use a VPN when necessary.
- **Monitor Your Account** – Regularly review your balance and transactions.
- **Enable Transaction Alerts** – Get real-time notifications for account activity.
- **Check ATMs Before Use** – Use well-lit, secure ATMs and inspect for tampering.
- **Report Lost/Stolen Cards Immediately** – Prevent unauthorized transactions by contacting support.
