

VIRTUAL RECEPTION & PLACEMENT FOR AFGHAN SPECIAL IMMIGRANT VISA (SIV) HOLDERS

Are you an Afghan Special Immigrant Visa (SIV) holder who recently arrived in the United States and need services?

You may be eligible for the Virtual Reception & Placement (VR&P) Program!

REMEMBER

Afghan SIVs who traveled to the US independently receive services from VR&P. Only *exceptional cases* can receive in-person services

Exceptional Cases: Case types below should seek *in-person* R&P services, *not* VR&P. These cases should request services at a resettlement agency

- Cases with a child who traveled to the US without their biological parent.
- Cases with complex medical needs.
- Cases with Iraqi SIV holders

All services through the VR&P program are provided virtually with no in-person office visits. Your virtual caseworker will provide services and referrals.

The VR&P Program **does not provide** assistance with finding or securing housing.

CONTACT US

There are 3 ways to request VR&P services:
1) online 2) email and 3) phone call.

Online requests will be the **fastest** way to be scheduled for an eligibility screening

Please allow three business days for a response.
